

Dear Bart & Gabriel Pet Sitting Clients,

I would like to make your pets our online stars, and post their adorable/funny moments on our site for your enjoyment! Please be assured that only pictures of the pets would be used, with no recognizable background or anything pertaining to your home or location. And of course, only their names would be used, no last names or any other identifying characteristics. Here is an example of a photo I might post, this one is of Bart and his friend Piper playing in our back yard:

So if you'd like to see your pets online or on the Bart & Gabriel Pet Sitting LLC Facebook page, please sign this release, and look for the pictures soon!

Thank you very much,
Natasha.
